### Administrator's Report – Elite Shellenbarger:

#### **Information only.**

The year-end journal entries have been entered and all figures have been brought forward thru April 2019. Board members should have received updated reports in their boxes.

Health care is going to be over budget this year. The matter has been discussed with Tawas Bay Agency. Tawas Bay Agency will begin requesting quotes sometime in August for our 2020 insurance coverage year. A major budget revision will have to be done in order to cover this year's deficit. It is estimated that we will be short by at least \$400,000.00 with part of that being transferred from the Self Insurance Fund and part having to be transferred from our fund balance in order to cover said deficit.

Ed Wojahn – Tawas City wishes to donate approximately 13.46 acres of land to the county. This may be a possible Economic Development Commission project or promotion. Tax revenue would be lost if this transfer takes place but not a significant amount. Mr. Shellenbarger will research the matter further and place the matter on the next full board meeting agenda.

**Any other matters:**

NONE

**Public Comments:**

Don Prezzato, Iosco County resident. Impressed that the Board recited the Pledge of Allegiance before the meeting. Mr. Prezzato's daughter-in-law was recently involved in an auto accident and he wanted to voice a complaint re: towing charges from Randy's Towing.

Claims and Accounts reviewed and approved with any exceptions noted by Huebel, Dutcher and Moehring.

There being no further business the meeting adjourned in the a.m.

Respectfully,

Nancy J. Huebel  
Iosco County Clerk
