Committee Reports

A. Iosco County Airport Advisory Board

The Iosco County Airport Advisory Board meeting in January was cancelled due to weather; the meeting was held this morning. The board is planning for the annual Fly-In. During an initial inspection, the fuel gage sensor failed. It will need to be repaired by July. Jay Samuels, County Airport Manager, submitted to the Iosco County Board of Commissioners an MDOT grant to replace the Airport's windsock and mower. There is no match for the grant; it is funded 100% by MDOT. Patching the runway will begin soon. Samuels received a new mini refrigerator for the office.

B. Iosco County Parks and Recreation Commission

The Community Grant awarded by the Iosco County Parks and Recreation Commission will now accept mechanical projects. The Iosco County Historical Society was approved a Community Grant of $25,000.00 to replace their HVAC systems.

Administrative Report

Carruthers-Soboleski has not heard back from MEDC regarding the Master Plan grant extension. The Iosco County grant champion will discuss the extension with their board.

The business for the day having been addressed, meeting adjourned at 2:06 p.m. until 2:00 p.m. July 21, 2026. Motioned by Danek and seconded by Rogalski. All ayes. Motion carried.
